

**ANSELL**

**GAMMEX PI Glove-in-Glove™ System**

**Address:** 111 Wood Ave. S, Ste 210  
Iselin, NJ 08830

**Phone:** 1 855 868 5540

**Email:** customersolutionsus@ansell.com

**Website:** www.ansell.com

**Product Description:** Want easier and faster double gloving? GAMMEX PI Glove-in-Glove™ System is the world's first pre-donned double gloving system, allowing for double gloving in one don.

Pre-donned outer and inner gloves are packed in one poly-pouch and one inner-wrap, using 50% less inner packaging waste and reducing carbon footprint. A semi-transparent outer glove over a green inner glove allows for quick and easy breach detection.

**DIVERSEY**

**Oxivir®**

**Address:** 1300 Altura Road, Suite 125  
Fort Mill, SC 29708

**Phone:** 800-668-7171

**Website:** www.diversey.com

**Product Description:** Accelerate OR turnover with Oxivir® Wipes. powered by Accelerated Hydrogen Peroxide® (AHP®) technology. With excellent cleaning power and a ONE minutes contact time, these wipes ensure fast and effective disinfection while streamlining the process. Oxivir Wipes are non-irritating to users, easy to use, and are offered in a variety of convenient formats to increase efficiency without sacrificing results.
